

Step up to SATs Maths – Part 2!

St. Joseph's Catholic Primary School

When: Starting Monday 29th January

Where: St. Joseph's RC Primary School

Length: 3 weeks

Time: 1.15 – 3.15 (first hour and a half adults only, last half hour joint session with your child)

**Are you struggling to help your child with their Maths homework?
Do you need to refresh your Maths skills in order to help your child at home?**

Can you remember how to do long division, long multiplication, averages, ratio and percentages, fractions, decimals?

If the answer to any of these questions is no then this course will be ideal for you.

During this course we will be looking at mathematical topics which your child will be tested on in their KS2 SATs:

We will also be making games for your child to use at home to practice their maths skills

Half an hour of each session will be spent with your child doing Maths activities.

ALL ABILITIES CATERED FOR. Please don't be put off if you think your Maths skills are not great, we will cater for all abilities on the course.

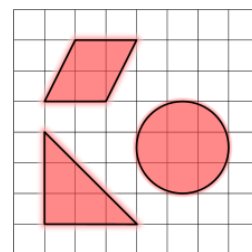

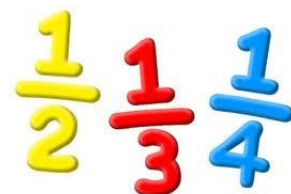

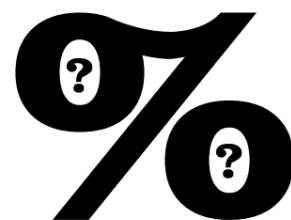

To book a place, please return the slip below to the school office and wait in reception on the 29th January. For further information call Louise on 0191 4338549
